## ABOUT US

Hailsham Hockey Club is a family orientated sports club based in East Sussex and was founded in 1902. As an amateur sports club, the majority of our funding comes from our members, supplemented by sponsorships and donations. It is a volunteer led organisation affiliated to Sussex Hockey and England Hockey.

We have over 90 members, ranging from 6 to 60+ years old. Men's, women's and junior sections. Our members represent a broad section of the local community. We have over 600 Twitter followers, 170+ Facebook members on both public and private groups and an active new look website.

There are a number of packages to suit you and your business. Website publicity, social media shares, shirt and award sponsorship are all available to access our members and interested community.

Our sponsorship rates are extremely affordable and offer a great way to show a positive community association for your business.
